

**“Fire FLY” – Grades 3-6**

**Fire Fly  
Christmas Pageant  
Video Project**

We have some color card stock characters and a nativity back drop kit that the church can send to you. All the kids need to do is cut out the characters and then tape them to the enclosed Popsicle sticks.

Then all you need to do is video tape the kids narrating their short part from the Christmas story. I will take the 30 second video that you send me and edit them together with the other clips to make the whole Christmas story. If it comes out good, we can maybe show it at one of the services.

**Let Tom know if you would like to participate.**
